

Spring weekend with HF holidays in Dovedale in the Derbyshire Dales
5th-8th April 2019

For April 2019 we have picked for you the 4-star HF holiday home of "Peveril of the Peak", a house with 29 bedrooms: 18 twin/doubles, 2 doubles and 3 twins as well as 18 single rooms. It has the usual lounges and a terrace and a bar. A boot room and a drying room are also available.

The Derbyshire Dales are in the Peak District National Park, which is only 3.5 hours away from Berkshire. You can enjoy "the contrast of the heather moorlands and rocky escarpments. Walk Stanage Edge, the Roaches and the Dark Peak, or meander through gentle green valleys and pretty villages." The House, named after Sir Walter Scott's novel, is less than a mile away from the famous Stepping Stones.

Those who do not wish to walk all 3 days can visit the nearby towns of Buxton and Matlock or venture out to visit the caverns, like Blue John Cave, or visit Chatsworth House. So you see, there is something for everyone.

There will be short and long walks available each day led by your own leaders, using the excellent walk notes provided by HF Discovery Point.

The price for this holiday of three nights will be approximately £270 per person. There is no single room supplement. Single rooms will be allocated on a first-booked first-served basis. We are trying to make a booking as a group with sole occupancy, therefore we cannot offer a two-night option on this holiday. This is quite a large house, so if you know of someone who wants to come along, don't hesitate to put their name forward.

To book a place on this holiday please complete the booking form and send it with a cheque for your deposit of £75 as soon as possible, but definitely by September 5th 2018. Please note these deposits are not refundable. The balance of the holiday will be due by February 2nd 2019.

I am collecting your name, postal address and email and will be passing it to HF Holidays so that they can book this holiday. Please confirm that you are happy for me to pass on your details. If you have any questions, please get in touch with David.
