Accompanying Notes – How to complete the Incident Report Form

When to fill in the form

This is a generic activities form for all Ramblers activities but is designed primarily for Areas and Groups. Some specific projects such as Get Walking Keep Walking will not have a Group Secretary; in which case the member of staff, activity worker, or project coordinator should sign the form. Please ensure the forms is returned to the Led Walks Team.

The Ramblers requires the reporting of all incidents, whether deemed minor or major, no matter what the envisaged severity is or if emergency services were or were not required. This includes near misses - an incident may not necessarily involve personal harm or injury. Examples of incidents include a walk where someone has been injured falling off a stile, or tripped on a pavement, damage to property following a gate being left open or someone dropping a large stone on their foot whilst undertaking practical work.

This form will enable the Ramblers to gain a better understanding of incidents, monitor trends and provide appropriate guidance and training. It is important that all incidents are recorded and we encourage an open culture of reporting, learning and continual improvement.

Please fill in the form as quickly as possible after the incident and return it as soon as possible, and within 10 days maximum. Your Group should file a copy too. You may choose to fill the form in electronically and email it to insurance@ramblers.org.uk. The form is available on the website www.ramblers.org.uk/volunteer/insurance

How to fill in the form

Please provide as much information as possible and use the continuation sheet if necessary. We request that contact details of at least one key witness are provided in case further investigation should be required. You may decide that due to the nature of the incident it is best to provide the details of a number of witnesses.

Major incidents:

If a major incident has taken place we urge you to report it to the Led Walks Team at the earliest opportunity on 020 7339 8519. A major incident is defined as posing 'immediate danger to life where outside help is required to resolve the incident'. This includes: incidents where 999 has been called, urgent medical help is required, urgent help is required to get the party/member to safety, evacuation of party/member by emergency services, death of a participant or any potential breach of the Safeguarding Children and Vulnerable Adults policy.

What happens next?

Once your form is received at central office it will be reviewed immediately. An acknowledgement will be sent and appropriate support made available. Copies of the form will be sent to our insurance brokers (Perkins Slade) and occasionally further investigation may follow, in which case the Led Walks Team will be in touch.
